

## Digital Technology Working Group

### Priority 3

To improve our approach to Learning, Teaching, and Assessment (LTA)

What is our capacity for improvement?		
Leadership and management	Learning provision	Successes and achievements
How good is our leadership and approach to improvement?	How good is the quality of the care and education we offer?	How good are we at ensuring the best possible outcomes for all our learners?
1.1 Self-evaluation for self-improvement 1.2 Leadership of learning 1.3 Leadership of change 1.4 Leadership and management of staff 1.5 Management of resources to promote equity	2.1 Safeguarding and child protection 2.2 Curriculum 2.3 Learning, teaching and assessment 2.4 Personalised support 2.5 Family learning 2.6 Transitions 2.7 Partnerships	3.1 Ensuring wellbeing, equality and inclusion 3.2 Raising attainment and achievement 3.3 Increasing creativity and employability

✓ Learners' achievements in and out of school are recorded and recognised. They understand how these achievements help them develop knowledge and skills for life, learning and work.

✓ How well do we deploy a wide variety of innovative and creative resources and teaching approaches, including digital technologies?

**Banchory Academy prides itself on its innovative use of digital technology. Being awarded a Digital Schools Scotland award in 2022 recognised our whole school approach to using digital technology in the classroom, and this has continued with the roll out of laptops to all staff, the introduction of ClickView, and the introduction of Clevertouch boards in every classroom. It is vital that staff continue to develop their digital skills through CLPL in order to keep track with the ever changing technology available to enhance learning.**

### Priorities of the group 24/25
